FINGER LAKES WINE COUNTRY, NEW YORK

Stay at Keuka Lake while touring Finger Lakes wineries, experiencing the excitement of the Watkins Glen International, visiting the Corning Museum of Glass, Rockwell Museum of Western Art, or simply vacationing.

THE INVERARY COTTAGE

Experience the Finger Lakes in a unique, charmed filled 1884 period cottage - The Inverary is right from a page of history. The two-story structure on quite East Bluff Drive, sits upon a gently sloping hillside, overlooking a level beach and private dock.

A 102-foot beach front gives you plenty of room to cool yourself in the crystal clear water of Keuka Lake, or roast marshmallows over an evening campfire. The recently renovated kitchen and full bathroom with tub & shower combine rustic charm with modern conveniences. The beauty of the lake and vineyards can be taken in from the full length screened porch while resting in rocking chairs, our glider or comfy futon. Dining is a relaxing event – there is plenty of seating in the large dining area with breathtaking views of Keuka Lake. Spend evenings in “your favorite chair” by the crackling fire of the floor to ceiling fieldstone fireplace. It boasts of five bedrooms, comfortably accommodating eight guests: a convenient first floor bedroom- four additional bedrooms on the second. Upstairs has a large vaulted ceiling (bedrooms have no ceilings, and are open to the rafters). Read a book, play cards or a board game – we are well-stocked, and provide cable for those TV watchers. There is plenty of nostalgic décor to complete the uniqueness of The Inverary.
